

# GUERNSEY GREEN juniper

*Juniperus horizontalis* 'Guernsey Green'

WINDWALKER®  
Series

**Height: 3"**

**Width: 5-10'**

This ground-hugging evergreen with silver to black berries hales from Wyoming where this semi-desert variety is highly drought tolerant. Guernsey Green joins but a handful of western native plants that tolerate dry shade.

**Culture:** Clay, loam, sand

**Hardiness:** USDA zones 4-9

**Uses:** Winter Interest, Groundcover, Hillsides, Medians, Xeric Gardens
