

EVERSILVER™ creeping germander

Teucrium 'Harlequin's Silver'

Height: 4-6" Width: 1-2'

The carpet of silver foliage will brighten your garden all year long. In early summer, the flowers beckon pollinators and plant lovers alike. Rabbit and deer resistant, waterwise and low maintenance. A real problem solver!

Culture: Sandy and gravelly soils

Hardiness: USDA zones 5-10

Uses: Waterwise garden, winter interest
