

Letitia flannel plant

Verbascum 'Letitia'

Height: 10-12" Width: 10-12"

Letitia grows well in full sun or part shade! It's attractive to butterflies and other pollinators but deer and rabbits tend to leave it alone. This is an award-winning, waterwise addition to your garden.

Culture: Clay, loamy, rocky or sandy soil

Hardiness: USDA zones 5-9

Uses: Crevice & rock gardens, waterwise gardens
